

JOHN CEDRIC A. LUNNAY

EXECUTIVE ASSISTANT | AUTOMATION SPECIALIST (GHL) | DIGITAL MARKETING

Metro Manila, Philippines | cedricklunnay78@gmail.com | +639267483422 Main Number/WhatsApp

SUMMARY

Results-driven Executive Assistant and Marketing Automation Specialist with a Computer Science background. Built a GoHighLevel (GHL) CRM and automation system from the ground up — including automated lead routing, opportunity pipelines, and win-back campaigns — while also leading website development, SEO, and social media marketing for a multi-location business. Brings additional depth in accounts receivable and collections, with proven success improving recovery rates. Detail-oriented and consistently focused on driving efficiency through automation and process improvement.

PROFESSIONAL EXPERIENCE

Executive Assistant

May 2025 - Sept 2026

- Built and optimized GoHighLevel (GHL) workflows to streamline lead management and automate follow-up processes
- Designed and launched a new, higher-performing company website, replacing the previous site
- Integrated the website with GHL to automate lead capture and routing
- Built chatbots to engage website visitors and support lead generation
- Optimized SEO and blog content to improve organic visibility and traffic
- Continuously researched and implemented new automation opportunities to increase efficiency across marketing and lead-gen operations
- Led social media management and marketing for three gym locations: Auburn, Citrus Heights, and Fair Oaks
- Created reels and promotional content to support monthly and seasonal marketing campaigns
- Executed email marketing campaigns to win back former customers and improve retention
- Supported marketing efforts through monthly and seasonal promotions
- Managed accounts receivable and collections for a California-based gym business, including past-due balances and mispayments
- Monitored and followed up on 30-, 60-, and 90-day aging accounts to ensure timely collections

Collection Specialist, Accenture

Feb 2023 – Feb 2025

- Contacted debtors through various channels to collect overdue payments, enhancing recovery rates.
- Negotiated realistic payment arrangements, ensuring compliance with company policies and improving customer satisfaction.
- Maintained meticulous records of communications and payment plans, contributing to streamlined operations.
- Resolved disputes effectively, collaborating with clients and internal teams to uphold service quality.
- Monitored aging account reports (30-, 60-, and 90-day) to prioritize outreach and reduce outstanding balances
- Identified and corrected mispayments and billing discrepancies, minimizing revenue loss
- Built and maintained positive relationships with customers during sensitive financial conversations, balancing firmness with empathy to protect retention

- Escalated high-risk or non-responsive accounts to management with clear documentation to support next steps
- Reconciled payment records against account statements to ensure accuracy before closing collection cases
- Recommended process improvements to collections workflows, reducing time-to-resolution on past-due accounts

Subject Matter Expert (Operations Supervisor in Tech Support), Sykes Inc.

Aug 2021 - Jan 2023

- Handling supervisor call or escalation to resolve customer's complicated issues and as well turn around customer bad experience from the company to ensure that they will be staying from what happened
- Support the definition of processes and policies, supply business rules and procedures, and communicate the contexts in which the rules, processes and policies are applied.
- Resolving issues and troubleshooting technical problems with their phones, routers, and wireless internet
- Handle customer complaints, provide appropriate solutions and alternatives within the time limits; follow up to ensure resolution
